## RP/1 **Regolatore portata aria con manometro** Air flow regulator air flow regulator with manometer Régulateur du débit d'air avec manomètre

- › Corpo in alluminio
- › Guarnizioni in PTFE
- › Manometro in acciaio e vetro resistente ai fumi di solvente
- › Scala 0-10 bar (0-14 psi)
- › Regolazione della portata d'aria
- › Aluminum body
- › PTFE gaskets
- › Steel and glass gauge resisting to solvent vapors
- › Scale 0-10 bar (0-14 psi)
- › Air flow regulation
- › Corps en aluminium
- › Joints en PTFE
- › Manomètre en acier et verre résistant aux vapeurs de solvant
- › Echelle 0-10 bar (0-14 psi)
- › Réglage du débit d'air
